FEEDBACK

- ✿ Being a part in this club is helps us to exposing ourself to different ways of doing photography, we can broaden our horizons and improve our own craft.
- ✿ we can find inspiration and motivation for our projects.
- ✿ we participate in challenges, contests, and assignments that push us out of our comfort zone and spark our creativity.
- ✿ By being part of a photography group, we can keep our passion alive and avoid getting bored or stuck in a rut.
- ✿ we can make connections and friendships with other photographers who share our interest and passion.
- ✿ it let us to enjoy socializing, having fun, and creating memories with people who understand our hobby.

 **Thank you**
